

## IJMexico 21 – a timely discussion

## **Angus Leslie Melville**

## 12/04/2021

*IJGlobal* is hosting – virtually – a premier event bringing together government, institutional investors, developers, lenders, advisors, and funds focused on infrastructure and energy financing opportunities in Mexico.

In recent times, *IJGlobal* has published a number of focuses on the Mexican infrastructure market, the most timely being:

- Investors look for exits amid Mexico's counter-reform 30 March
- Alarm over energy counter-reform in Mexico 9 February

IJMexico 21 – register to attend for free here – is being staged on 12 and 13 May,

bringing together some of leading players who are currently active in the market to discuss the challenges being faced on the ground where political wrangling is casting a shadow over international involvement.

The line-up of speakers includes:

- Cesar Vargas director of structured finance at CAF
- Joana Pascal lead investment officer, IDB
- Fabian Ibarburu general manager, CAF-AM
- Javier Orellana principal at Actis
- Jose Maria Zertuche managing director, BlackRock
- Luis Arizaga partner at Exus Management Partners
- Gustavo Castellanos CIO at Lexington Capital
- Benny Villareal chief executive, Vive Energía
- Adi Blum managing director, BlackRock
- Carlos Isorna vice president, Macquarie Infrastructure and Real Asset
- Miguel Angel Alonso Rubio managing director, Acciona
- Abril Moreno director general at Perceptia21
- Gemma Magre senior legal projects manager, Abertis
- Fernando Alonso director government affairs, Fermaca
- Dionisio Pérez-Jácome former Mexican Ambassador to OECD and Canada, and former Secretary to the Ministry of Communications

IJMexico 21 has 4 sponsors and IJGlobal would like to thank them for their support:

- Greenberg Traurig
- CAF
- CAF-AM
- IDB Invest

A VIRTUAL EVENT

government, institutional investors, developers, lenders, advisors, and funds that examine infrastructure and energy financing opportunities in the market

The Missician market hosts chief challenges for the private sects both greenfield and brownfield project financing but the fundamentals of the market still remain a country with untapped potential and growing demand for infrastructure and energy projects. And with Cowld-19 changing the equation on the government's stance for entertaining private sector investment, there will be computative for contral to be derived.

he IJMexico 21 Virtual Event will give the most prescient market telligence to understand the full spectrum of investment and nancing opportunities in Mexico, giving attendess clarity and a popurturity to benchmark best practices for navigating a halfenging market that utilimately rewards those who have taken so risk new to be best president.
