We are delighted to present to you IJGlobal Awards 2020 for the Europe, Middle East and Africa region. For your entertainment, we are publishing an early view of the winners across the whole of EMEA.

For ease of production, we took the decision to combine the Europe and Africa awards (normally hosted in the Natural History Museum) with the MENA ceremony which – in a normal year – would have been staged in Dubai.

The IJGlobal editorial team is putting the finishing touches to the quarterly magazine that will be published tomorrow afternoon (UK time) in which we delve into all the details of the award winners in a bumper issue.

However, for those of you with a taste for the theatrical, tune in now as IJGlobal editorial director Angus Leslie Melville and IJGlobal editor Ila Patel run through the EMEA champion's roll for 2020.
