It is with a great pride that we bring to you today IJGlobal Awards 2020 – The Americas – giving the low down on the winners for regional market activity over the judging period.

Sadly, we have not been able to lay on a lavish dinner at The Pierre in New York as we had planned for March 2020 (to celebrate the 2019 awards), but as a substitute IJGlobal has staged a socially-distant, virtual ceremony for your entertainment.

Please take a moment to join IJGlobal editorial director Angus Leslie Melville and IJGlobal editor Ila Patel as we showcase the winners in a virtual presentation with only the occasional stutter and mispronunciation.

The IJGlobal editorial team is – as you read this – putting the finishing touches to the quarterly magazine that will be published tomorrow and in which we delve into all the details on award winners.
