Four organisations won awards at last week's IJInvestor Awards 2021 to recognise their market activity across both the EMEA region and in the Americas.

The awards ceremony was hosted by IJGlobal editor Ila Patel and editorial director Angus Leslie Melville at a packed event in Pan Pacific, London.

For many who attended, it was the first awards ceremony they had been to for a couple of years.

For IJ, this was the in-person second awards night this year (2021) having in October hosted the [IJGlobal ESG Awards](#).

Winners of company awards for both the EMEA and Americas regions were:

- DC Advisory – Financial Adviser of the Year (first picture)
- Orsted – Market Innovation of the Year
- Campbell Lutyens – Placement Agent of the Year (second picture)
- Arup – Technical Consultant of the Year (third picture)

These awards will be delved into in greater detail in the winter issue of the IJGlobal Magazine that will be published (digital only) later this week.
