The awards night was hosted on Wednesday 8 December by IJGlobal editor Ila Patel and editorial director Angus Leslie Melville to a packed room in Pan Pacific London – a rather splendid hotel that has just opened in the City.

For those who want to read the full line-up that will be published in the (digital) magazine later this month, the full line-up of winners – both companies and deals – [can be accessed here...](#)

As to the company awards, IJGlobal has published 4 stories identifying winners across the regions. These are:

- [EMEA company winners](#)
- [Americas company winners](#)
- [winners from both EMEA and Americas](#)
- [APAC company winners](#)
