

IJGlobal Awards 2021 – deadline extension

Angus Leslie Melville

07/01/2022

The deadline for submissions to be received for IJGlobal Awards 2021 has been pushed back to Thursday 13 January, allowing a little extra time for the last of the entries to come in.

The submissions portal has been kept busy in the first week of the new year with final touches being put to entries and tardy infrastructure specialists leaping into action in the early January lull.

For now, the [submission portal can be accessed here...](#)

We are encouraging more infrastructure and energy professionals from across all the disciplines to submit for IJGlobal Awards 2021 in a bid to give the market a little extra cheer as we (hopefully) break loose of the coronavirus clasp.

IJGlobal Awards recognise greenfield and refinancing deals that closed in the 2021 calendar year in every corner of the world and across an array of sectors that combine to reflect infrastructure and energy as defined by this title and (largely) the market.

The last time we hosted a physical IJGlobal Awards Night was in 2019 and we are looking forward to getting them back off the ground in the regional centres – London, New York, Dubai and Singapore – having in October hosted our first [ESG Awards](#) and in December staged [IJInvestor Awards 2021](#).

The IJGlobal Awards 2021 agenda for the coming months is:

- submissions close – 13 January 2022
- shortlists announced – 24 January 2022
- Judgment Day – 2 February 2022
