

IJGlobal Awards 2021 – Asia Pacific shortlist

David Doré

15/02/2022

IJGlobal is pleased to reveal today the shortlist for the Asia Pacific company section of the IJGlobal Awards 2021, scheduled to be hosted in Singapore on 24 May.

This year, we received more than 1,300 submissions for the IJGlobal Awards. It is only the company section, however, that is peer reviewed by infrastructure experts.

Our panel of judges in Ho Chi Minh City, Hong Kong, Manila, Singapore, Sydney and Tokyo met last week over Teams for Judgment Day to debate the merits of companies that closed deals – project finance greenfield and refinance – during the 2021 calendar year.

IJGlobal would once again like to thank all those who participated in the lively judging session. We appreciated the preparation, due diligence and insights in deliberating the shortlists.

The votes were made in secret and the winners will be announced on the night in Singapore when we hope to welcome a good crowd from around the industry to celebrate the successes of 2021.

Here follows the shortlists for Asia Pacific with the award categories and competitors.
