

IJInvestor Awards 2022 – The Shortlist

Angus Leslie Melville

27/10/2022

IJGlobal is delighted today to be announcing the shortlist for IJInvestor Awards 2022 – the event we host to celebrate infrastructure and energy M&A and successful developments among the infra funds.

The shortlist announced today identifies only a few of the awards that will be presented on the night, the other ones will not be revealed as one of a number of rivals, but will be handed over to the winner on the night.

As with all awards judging sessions, they are defined by the independent panel of industry experts and no 2 sessions are the same. The end result is that – this year – we have fewer shortlists and more edge-of-the-seat moments for the night itself.

The fourth IJInvestor Awards ceremony will be hosted at the Hilton London Bankside on the evening of Wednesday 7 November. To find out more about the event and even to book a table, [CLICK HERE...](#)
