

IJInvestor Awards 2022 – Placement Agent

The independent panel of judges was so impressed by the Campbell Lutyens submission that it proved to be a no-brainer to vote it winner of the IJInvestor Awards 2022 – Placement Agent.

However, when it comes to writing up the story on CL's success, it is made almost impossible to craft as each section of the submission is marked "strictly confidential".

To that end, we recommend that IJ subscribers log in to IJGlobal and rate its activity across the globe... because we are honour-bound to ignore the compelling information that was reviewed by the judges.

So – in a briefer-than-customary write-up of a winner – we recommend you run an eye over [the judging panel](#) (recused where they had an interest) for the 2022 awards and celebrate the independent, peer-review nature of the process.
