The head of steam is building for IJGlobal's long-established New York energy conference – REFF Wall Street – which is now in its 20th year and is celebrated as one of the most influential events in the calendar.

IJGlobal is working closely with sister title Power Finance and Risk to host this event on [20 and 21 September](#) (2023) at etc.venues, 360 Madison Avenue.

The popular event has pulled in an impressive line-up of premier sponsors with KeyBank Capital Markets, Fitch Ratings, Kirkland & Ellis and Troutman Pepper signed up. Landgate is involved as a sponsor and AXA will be an exhibitor at the event.

Organisers are bracing for a landmark event to celebrate 20 years of hosting this event in New York and are reporting that 30% of the speaker roster is C-suite and there will be around 60 industry specialists taking to the stage.

IJGlobal reported last month on the [initial line-up of speakers](#), and is delighted now to identify new additions:
