Good news for everyone rushing to submit for IJGlobal Awards 2025 – the deadline has been extended from the end of this week... to the end of next.

You now have until Friday 13 December to complete submissions for the biggest celebration of greenfield infrastructure and energy achievements in the international industry calendar.

The submissions portal [can be accessed here...](#)

IJGlobal unashamedly claims the title for hosting the single most established infra/energy awards – presented in London, New York, Singapore and Dubai – to laud successes across the international industry.

Company submissions are judged by 5 independent panels of industry experts, making them what we believe to be the most peer-review in the sector, selected in the most transparent process to be run by any publication and presented at the most entertaining awards nights.

The judging panels are public and can be accessed here:

- [North America](#)
- [Latin America](#)
- [Middle East and North Africa](#)
- [Asia Pacific](#)

IJGlobal Awards recognise greenfield financing and refinancing that closed over the 2024 calendar year across the many sectors that combine to reflect infrastructure and energy, as defined by this title and (largely) the market.

To help submitters target their entries, we have given greater guidance to the sections that we hope clarify – in a few words – what the judges are looking for in each category.

Judgement Days are being staged in person and over Teams early next year:

- London – Europe and Africa – 15 January
- New York – North America – 16 January
- New York – Latin America – 22 January
- Singapore – APAC awards – 23 January
- Dubai – the MENA awards – 29 January

The award ceremonies themselves will be hosted in glitzy venues and all are black tie (tuxedo) events. Their dates and venues are:

- Europe and Africa – 6 March – Peninsula London
- North America and LatAm – 13 March – Gotham Hall, New York
- APAC – 9 April – Raffles, Singapore
- MENA – 30 April – Dubai, venue TBC
