We are delighted to announce the shortlist for the Company section of the IJGlobal Awards 2024 for APAC, identifying the organisations that the independent panel of judges shortlisted...with the winners to be announced in Singapore.

The awards ceremony will be hosted on 9 April at Singapore's Raffles Hotel. For more information, go to the site for [IJGlobal Awards 2024](#).

As with all IJ awards, we take great pride in their peer-review nature, judged by an independent pane of industry experts that has the final say on all company winners. To read about the judges, [click here](#).
